The Garat Industries of the United Status Being an Historical Summary of the Origin, Growth, and Perfection of the Chief Industrial Arts of this Country. By Horsee Greeley, John B. Gough, Jos. B. Lyman, and other eminent writers. Octave; over 1,150 pages, illustrated Chicago III. J. B. Bunn & Rydn, Publishers.

A good book is always a "welcome guest." But a book may be "good" in its tone and style, harmless in its morals, and still vague, 4 O'Clock P. M. empty, uninteresting, and uninstructive; or if interesting in its style, leading the reader on and on, yet adding nothing after all to to do more harm than good by dissipating the mind of the reader.) But a work of solid character, suited to the instruction and administering to the pleasure of all classes, 52 Persons Killed and Wounded. ers of "The Great Industries" have secured such a work in this, which is replete with important and interesting facts concerning the chief arts and several industries of the United States.

This work is the result of the joint labor and contributions of many first class writers and scientists, each of whom seems to have A Methodist Minister in Queer thoroughly adapted his studies to his special subjects, and is in the whole a rare produce. It is the only work of its kind with which we are acquainted, and if we are not mistaken the only one of the The River Clearing at kind ever essayed in any country, and re flocts great credit upon its enterprising publishers, as well as upon our energetic and ingenious people throughout the country. It not only supplies a long felt want, but puts it within the reach of all people of most PROPOSED ADMISSION OF UTAH! moderate means as well as the wealthy, to enrich their minds with a useful as well as interesting store of knowledge, and should be read by every youth in the land; and it The Aldermanie Thieves of Chicago is safe to say also that there is no adult, however learned, who might not profit himself to greater or less degree by its perusal.

MACHINE CARD CLOTHING.—The im- General Summary. provement which is so noticeably taking place in the quality and finish of woolen and cotton fabrics turned out by the western manufacturers has excited no little attention. This is in many instances due to the use of the machine card clothing manufactored by the Hampden Card Company, of Springfield, Mass. This company are widely celebrated for their napping cards, from common, round, plated, or diamond New York, Feb. 23.—A letter from wire; and stripping and No. 10 cotton Florence, dated January 24th, says a fire from common, round, plated, or dismond cards, none of which can be excelled in there the day previous rendered two hun-any respect. any respect.
